

# MediRedi

Global Doctors Serving NL

# Challenge Accessing Healthcare in Rural NL

---

Not enough doctors certified to practice medicine in NL to address the needs of NL's rural population

# Our Solution

---

Career accelerator and bootcamp to streamline the process of getting certified to practice medicine in Canada

# Current Process for Certification for International Physicians

Takes 2-3 years for doctors  
to start practicing medicine  
in Canada

- International Medical Degree 
  - MCC Qualifying Exam
  - 12 Month Residency in Canada
  - CFPC or RCPSC Certification
  - Provincial License (CSAT)
-

# Stage 1

Take exams and apply  
remotely

# Stage 2

100% Remote Training and  
Medical Practice

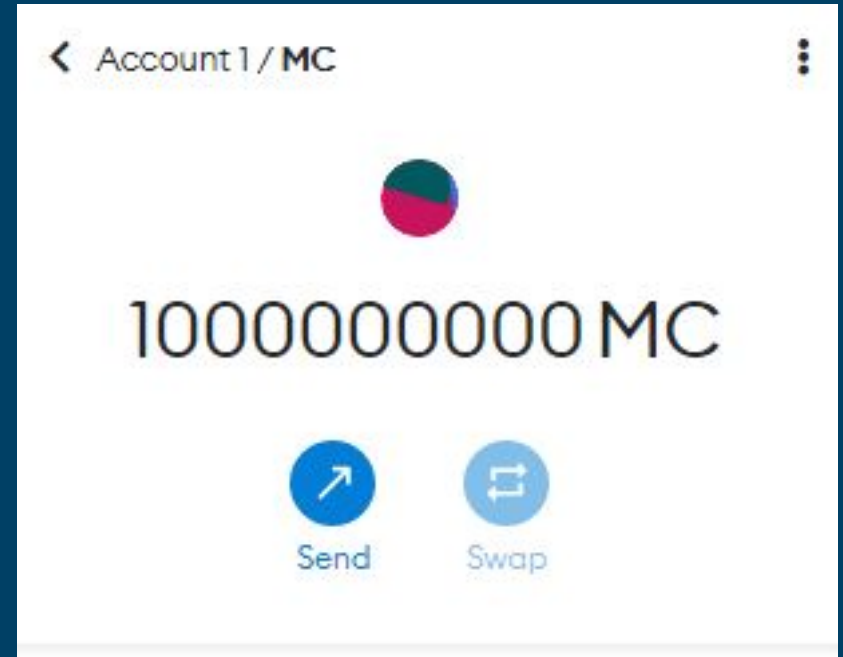

---

# Our Online Learning App
